

February 4 to 8, 2019

## Our Class Newsletter

### Classroom News

In the hot desert or near a pond? In an underground burrow or in a mountain lair? Is it a woodland, garden, or a jungle? Where do animals live?

Last week (Jan. 28-Feb.1), we explored different animal habitats, and how they provide basic needs to ensure their survival.

### A Week at a Glance

#### Language Art

##### Theme

Learn about and discuss the different things in the day and night sky.

##### Phonemic Awareness

Blend phonemes, isolate and pronounce the middle sounds of different words.

##### Comprehension Skills

Discuss the events of the story.

##### Letters

Identify the letter "R" and words that begin and end with/r/.

##### Grammar

Use correct capitalization and punctuation.

##### Writing

Generate ideas for writing sentences with details.

##### Reading

Decodable stories: "Mac and Pam Cat"  
"Come with Me"

#### Science

Explain that Earth's rotation causes day and night (some stars disappear and new stars appear)

### Online Resources

### Words to Know

are      now      you  
my      with      what

Add numbers up to  
10.

### Think Outside the Box!

Monday	Tuesday	Wednesday	Thursday	Friday
Look for things that begin with/r/. Bring them to school to share them with their teacher and classmates.		Draw a picture that shows the difference between day and night.		Use playdough to form the Words to Know: what, are, you, with, now, and my. Use them in complete sentences.
