

Last week, we discussed how important community helpers are for us and we learned the ways in which they make our lives better. We also enjoyed the visit of our school nurse to our classroom.

A Peek at Next Week

Next week, some of our parents will be invited to actively participate and talk about their jobs.

Math:

- **Number:** Hunt for "3" objects.
- **Shapes:** Draw horizontal lines.
- **Sorting:** Sort community helpers' tools.

Don't Forget!

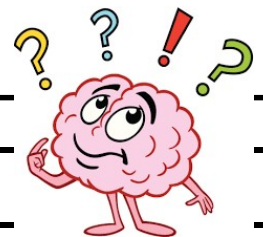

Always speak in clear and complete sentences with your child.
