

# Our Class Newsletter

## Classroom News

Last week , we learned about different things that scientists study. We also had the opportunity to think like a scientist and ask questions to learn more about things.

### A Week at a Glance

#### Language Art

##### Theme

Identify the different kinds of science.

##### Phonemic Awareness

Blend phonemes, isolate and pronounce the middle sounds of different words.

##### Comprehension Skills

Discuss and identify details in a text.

##### Letters

Identify the letter "Oo" and words that begin /o/.

##### Grammar

Use correct capitalization and punctuation for questions.

##### Writing

Write a message that includes an opinion to a friend .

##### Reading

Decodable stories: "Fit in My Cab"

#### Science

Participate in discussion about science, scientists, and some tools that scientists use.
