

March 2 - 6, 2020

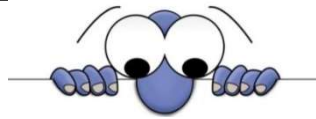

Last week, we named and identified different farm animals. We also discussed what jobs each animal has and why it is important to the farm.

Moreover, we learned how to cover our cough or sneeze and how to wash the germs away.

A Peek at Next Week

Theme: Farm Animals

- We will learn about how farmers provide milk from cows to create dairy products, and what food products are made from milk.

Math:

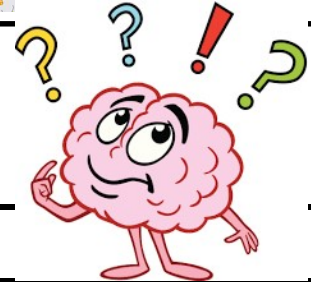

- Shapes:** Identify the heart shape.
- Color:** Introduce the green color.
