

## Classroom News

Last week, we learned, illustrated, and discussed how water cycle happens. We also wrote letter B,b between the lines, and generated words that begin with /B/.

Moreover, we learned how to properly cover our mouth and nose when we sneeze or cough to prevent the spreading of germs.

## A Peek at Next Week

Theme: How Living Things Grow

### Stages of Growth

- Identify the stages of growth (baby, toddler, child)

Letter:

- Identify the letter (V,v), its sound /v/, and its Alpha friend "Vinnie Volcano".
- Generate words that begin with /v/.
- Trace and write letter V,v freely and between the lines.

- **Line:** Draw the curved line.
- **Color:** Sort things according to colors.
- **Shapes:** Identify the diamond shape.
- **Number:** Write number 6 freely.
- **Pattern:** Create an ABB pattern.
